

THE IRON WOLF SPIRIT OF ROME

In Daniel chapter 2 we see that Nebuchadnezzar has a dream. The dream is of a statue of a man with a golden head and a body of silver and thighs of brass and legs of iron and feet and toes of iron mixed with miry clay.

Daniel is called upon to give an interpretation of the dream vision.

Daniel's interpretation is that the statue represents four kingdoms. It might be important to note for later reference that it is FOUR kingdoms and not five. The first represent Nebuchadnezzar, King of Babylon.

The second represented the Medes and the Persians which followed.

The third was the Greeks.

The fourth represented by iron was and is ROME!

Earthly kingdoms are ruled over by the god of this world (Satan) and his henchmen. (See 2nd Corinthians 4:4 and Daniel 10:12,13)

We see in Daniel chapter 10 for example that there is a prince of Persia that prevents an angel of God from coming through his territory for twenty one days when the angel is sent by God to bring Daniel an answer.

This was no natural prince, but rather a fallen angel who ruled over Persia!

Likewise there are fallen angels that ruled over Babylon just as there was ones over Greece and Rome.

Each fallen angel has his own particular evil tendencies which are picked up and followed by those that know not God or those who rebel against God.

The Prince level spirits rule over lesser powerful spirits who invade, inhabit, and persuade men to move in their evil tendencies which are designed to defy God and to destroy mankind!

According to Ephesians chapter six, we know that there are at least four levels or strengths of Evil Spirits.

These are:

1. Prince Level Spirits-

usually **These are the strongest and most powerful. They rule over cities, large areas or territories and sometimes nations.**

2. Power level Spirits-

These are next in rank under the princes and still quite

Powerful.

3. Ruling Spirits-

These are lower rank and less powerful spirits and yet they still rule over weaker spirits.

4. Wicked Spirits-

These are smaller and less powerful unclean spirits that seek to inhabit and fulfill their evil lusts through that person.

Each of the Princes that ruled the major Kingdoms had their particular tendencies which will be manifested in their fullness at the end of this age as the Iron Wolf Spirit of Rome, which encompasses them all, seeks to rule the world!

BABYLON--- False religion and the worship of idols

**MEDIA-PERSIA---Love of money and wealth and conquest through
Compromise**

**GREECE----- Philosophy, Systems of government and the worship of
Goddesses**

**ROME-----Desire to conquer all and rule the whole world while including all
the evil vices of the kingdoms before it.**

Next let us look at the characteristics of the metals seen in the images.

**GOLD---The Characteristic of gold is its shininess. Its glory. Gold in the
Bible is used to represent glory.**

**SILVER---The characteristic of silver is that it was used for money and to
coin money.**

**BRASS---- The characteristic of brass is its ability to be bent to make
artwork.**

**IRON-----The characteristic of iron is its strength! Iron is often used to
break other things. It is not easily broken. It is used to place
others in bondage, to chain them, to hold them in place. “Put
him in Irons” the statement says to bind him with something
that will keep him shackled.**

The Iron Wolf Spirit seeks to do exactly that! It has done so, in large measure with most of mankind not even realizing it.

Again note that Rome (Iron legs and Iron mixed with miry clay) has within it elements of each of the previous kingdoms.

It has false religion, love of money and wealth, systems of governments and philosophies of man and a desire to conquer the world!!!

THE WOLF SPIRIT

Legend has it that Rome was started by two brothers named Remus and Romulus. Ostensibly they were nursed by a wolf as children. Whether that is true or not, there is a “wolf spirit” which is an unclean fallen angel that desires to go against that which is Godly. That wolf spirit is manifested through Rome in many forms.

Jesus said in Matthew 7:15 “beware of false prophets who come to you in sheep’s clothing but inwardly they are ravening wolves.”

There are those that pretend to be sheep. They have pretended to be amongst God’s people but in actuality they are motivated by the wolf spirit. Which seeks to steal, kill and destroy!

Although Rome grew to be a great empire in the sense of size, we must remember that it was a pagan empire!

The Jews had been given the oracles of God. (See Romans 3:1,2) The Roman pagan rituals, practices and religions were and are against God.

The Romans worshipped so called deities which in actuality were fallen angels who were and are Prince level spirits. Some Wiccans (witches) today acknowledge that that is what they were and are, and they seek to call upon them to increase their powers of darkness.

The Jews worshipped the ONE true God, who is our Creator.

The natural man (the unsaved man) and the carnal man (the saved man, or babe in Christ, who still thinks like the natural man) admires size and power and wealth and natural beauty. He is therefore, often times, swayed by these things to overlook the evil behind the entity.

Wolves are natural enemies of sheep. Since sheep are depicted in scripture as God’s people, we can know that wolves represent the evil spirits that want to destroy God’s people. These evil spirits also motivate the unsaved people to capture and destroy God’s people.

Paul, the apostle, says in Acts 20:29, 30; “For I know this that after my departing shall grievous wolves enter in among you not sparing the flock.

Also of your own selves shall men arise, speaking perverse things to draw away disciples after them.”

Since many so called ministers are nothing more than hirelings, when the wolves come in with their false doctrines, they allow them in. These ministers themselves even flee because they are just hirelings. They are in the ministry for the money. They really have no real care for the sheep.

Jesus said in John 10: 11-13; “I am the good shepherd. The shepherd gives his life for the sheep.

But he that is a hireling and not the shepherd whose own the sheep are not, seeth the wolf coming and leaveth the sheep and fleeth because he is a hireling and careth not for the sheep.”

Many of our so called Christian ministers have been hirelings. As such they have not protected the sheep from the iron wolf spirit of Rome!

Even though Rome fell in one sense. In another sense it continued by transforming itself. THE Wolf Spirit of Rome continued in the Roman Catholic Church!

As protestants broke away from the Roman Catholic Church and some of the bondages, they took others with them. They did not realize the extent to which the Roman Wolf Spirit had permeated the thinking of man in the Western world.

Many of its misdeeds and Anti-Christ systems are perpetuated today and then sold to the world as the most ideal methods of governing and living.

Most fail to see the many deceptions and the utter wickedness behind that which is Roman but is known as Western civilization.

Each doctrine, concept, idea or theory must be held up to the light of God. When it proves to be different than God’s word says, IT MUST BE REJECTED!!!

Hirelings won’t do this because if they reject too much they become politically incorrect and will lose their jobs!

WOLF SPIRIT (cont)

The wolf spirit of Rome is an evil spirit! It spread throughout Rome. As the Roman empire declined, it spread some of its beliefs and characteristics through the Roman Catholic Church.

Still it did not stop there for the spirit of conquering and ruling over others and enslaving men continued through certain countries that had been a part of the Roman empire.

Spain, which had been conquered by Rome at one point, later became a conqueror as it invaded South and Central America, as well as certain portions of North America. It killed many of the inhabitants and stole their gold!

England, which had also been conquered by Rome at one point, began to spread itself and form colonies around the globe. Great Britain, as she is called, took land, enslaved people and declared itself to be the empire on which the sun never set!

The United States which had been a part of Great Britain and therefore indirectly a part of the extension of Rome, declared that it had a “manifest Destiny”!

This so called manifest destiny supposedly gave it the right to take land away from the Indians and to spread from coast to coast and beyond. It also took Hawaii with this same conquering doctrine!

THE NEW ROME (The European Union)

In April of 1953 six European countries came together in Rome to start the European Economic Community. These six countries were Belgium, France,

Germany. Luxemburg, Netherlands, and Italy. Hereafter it was called the “TREATY OF ROME”.

The E.E.C. has become the European Union otherwise now know as the E.U. Most of the countries now represented by the E.U. were once a part of Ancient Rome. Now they are part of a new entity that came into being by the TREATY OF ROME. So although now it is called the E. U. , it is in essence Rome once again!

This new Rome seeks to be a political power comparable to, if not greater than the United States!

Some question, “Will the E.U. eventually be tied to or swallow up the United States?”

The beast that Daniel was shown included a lion with eagles wings, a bear, a leopard, and a beast with IRON teeth. Here in Daniel chapter seven it once again indicates that these are four kingdoms. So I believe that they represent not only the prince levels spirits that ruled the four successive kingdoms of Babylon, media-Persia, Greece and Rome but that they also represent the four dominant powers of the end times leading up to when the Mark of the beast is manifested!

The national symbol of ENGLAND and many other parts of EUROPE is THE LION.

The national symbol of the UNITED STATES is THE EAGLE.

The national symbol of RUSSIA is THE BEAR.

Finally, the natural symbol of Nepal, a small country between India and China which therefore obviously represents ASIA is THE LEOPARD!

As these join together they will be indeed a mighty powerful beast with iron teeth!!!

Iron speaks of Rome and Iron speaks of strength to conquer the world! The Iron Wolf Spirit of Rome seeks to conquer the planet and rule over all its inhabitants!

Nevertheless, there will be those that will resist its power. These are they that will not be dominated and ruled by the beast for they have put on the mind of Christ. They have studied God’s word to show themselves approved unto God. Workmen that need not be ashamed. These are those that rightly divide the word of truth and therefore resist the efforts of the beast.

The Iron Wolf Spirit of Rome can not change them for they are saints. Since they resist the traditions and the laws of the beast, they will be hated by the beast. The beast will seek them out to destroy them.

Nevertheless, until the appointed time, these will be those saints that

prophesy against the beast and warn the people of the world not to be indoctrinated and absorbed into it. They will be ostracized by many, because they are different and refuse to go along with the masses. They are even now warning believers not to accept the mind of the beast. The mind of the beast is the ways of thinking and operating that are against God's word. Those that receive the mind of the beast are being marked in their foreheads. Those that do the work of the beast by submitting to it and forcing others to obey its Un -Godly laws are being marked in their hands.

This is the spiritual meaning of being marked in the forehead and being marked in the hand.. There may also come a time when a natural mark such as a computer chip will be placed in the forehead or in the hand. However, it is only those that have accepted being spiritually marked that could accept the natural mark.

Beware the Iron Wolf Spirit of Rome is increasing in power and influence. It wants YOU to comply with its thoughts and laws.

ROMAN CATHOLIC

As most students of history know, The Roman Emperor Constantine supposedly had a vision of a cross and heard a voice saying go forth and conquer using the sign of the cross. He then legalized Christianity and became its supreme chief pontiff. Essentially, he took over the church. He called for councils and this

was the beginning of the Romanization of the church.

In time the Bishop of Rome took on the title of supreme pontiff and became what is today called the pope. The largest denomination today is called the “Roman Catholic Church”!

It began to bring pagans into the church and then to make them feel comfortable, it formed “holidays” at the same time as the pagan rituals.

One such pagan holiday was called Saturnalia. This was a time of drinking and orgies and much debauchery. The Roman Catholic decided to celebrate the birth of Jesus Christ around this time. December 25th. They called it the Mass of Christ. This was eventually shortened to Christ’s mass and eventually Christmas.

In the United States Christmas is far more about buying gifts and presents for various friends and relatives which helps the economy than it is any religious or spiritual exercise.

It is infected with many pagan symbols such as “Christmas trees”, Santa Claus and mistletoe. Mistletoe is that piece of greenery whereby if a man and a woman find themselves under it at the same time, they are required to kiss. This is a carry over of the pagan days of orgies.

Santa Claus is supposedly a mystical figure that developed out of the legend of a certain “saint” Nicolas, who was a priest, who gave gifts to poor children at Christmas time.

Today he is a jolly fat man in red suit who theoretically flies around the whole world in one night delivering toys to children. He supposedly rides on a sleigh that flies through the air as it is pulled by eight magical reindeer.

The children are told these lies by their parents. It is held out as innocent fun! Yet the lie of Santa Clause prevents children from believing in Jesus. Christ! When parents tell them of Jesus who died on the cross and rose from the dead and ascended up into heaven, many assume that it is the same type of myth as has been told them about Santa Claus.

In Jeremiah Chapter 10 it speaks of the foolishness of chopping down a tree and of fixing it with nails and worshipping it. Yet, this is almost exactly what is done by millions and millions of Christians both Roman Catholic and protestant, during the so called Christmas season.

It is amazing to what degree the Roman Catholic influence has had on millions of people. Here the Christ’s Mass traditions are so locked into the psyche of the vast majority of believers and un believers that they would never even consider

giving up these pagan traditions!

Instead of trying to stop it, even the so called ministers of the gospel, use it as a time of year to justify their paganism and try vainly to stuff Jesus Christ into the celebrations.

Meanwhile, millions go into unnecessary debt feeling pressured to give a gift to everyone who might give them one. Much of this borrowing in the Western world is done through credit card purchases. The Bible says that the borrower will be the servant of the lender. (see proverbs 22:7) This being the case millions of believers are being placed in servitude to the world and its financiers!

The wicked pagan systems of Rome are enslaving the people!

Few dare to speak out against it for when they do, a chorus of voices arise to shout them down!

HALLOWEEN

Originally known as “All Saints Eve” Halloween is another attempt to paganize the children. Children of both believers and non-believers are encouraged to dress up like ghosts, goblins, witches, and even Satan himself in this pagan fall festival. They run from house to house calling out “trick or treat!” The adults then dutifully run to their doors with candy, cookies, fruit and other such treats to pass out to the children, encouraging them in their participation in this most un-godly festival.

In the meantime, Satanists consider it their most unholy day! I have been told by former Satanists that it is the time at which they sacrifice innocent girls who have been kidnapped. This happens in most major cities in the USA.

These girls are drugged, raped, and disemboweled. The blood then is caught in a cup which is then mixed with body fluids of the participants of this “Black Mass”. They then drink the contents of the chalice and proceed to call up demon powers which they send out to cause mayhem and destruction!

When children are given the permission to pretend to be witches and such, they are opened to the possibility of receiving supernatural power from the side of darkness!

Books like the “Harry Potter” series take it a step further and opens them up to more witchcraft. When a real witch comes along and offers them supernatural power to attack their enemies or impress their friends, they often fall for it and are seduced into the occult!

Yet, most so called ministers of the gospel refuse to take a stand against this most evil of Roman induced practices!

EASTER

Easter comes from the worship of the goddess Ishtar as she is called in some places. In Rome she is called Venus. In Greece she was called Aphrodite. She is the goddess of love, which is really the goddess of lust! According to legend, she supposedly came forth from an egg. Thus we have the coloring of Eggs for children at Easter time!

The bunny rabbits are known for their ability to rapidly procreate. Again this has a sexual connotation!

In our attempt to Christianize this pagan holiday people are worshipping the goddess of lust! It was the Roman Catholic Church that associated the resurrection of Jesus Christ with these pagan rituals.

The pagans went out to worship the sun at sunrise at their time of “Easter”. The Roman Catholics then instituted a sunrise mass to help Easter acceptance as a Christian holiday.

If believers truly wanted to celebrate the resurrection of Jesus Christ then they would learn from the Jews and celebrate Passover. Passover is indeed that which was given by God to foreshadow the sacrifice that Jesus Christ made for us.

Jesus himself said that the middle piece of unleavened bread represented his body which is broken for us. He also indicated that the cup of wine represented his blood that he would shed for us.

In most churches this symbolism has been reduced to a broken piece of cracker and the size of a small wafer and a thimble sized cup of grape juice.

And yet, these same believers which make colored boiled eggs for their children and buy them chocolate covered bunny rabbits at “Easter” honoring (Unknowingly) the goddess of Ishtar, which is in truth the fallen angel of lust!

ROMANIZED WESTERN CIVILIZATION

The Iron Wolf Spirit of Rome has spread not only through the Romanized Church and its popes and followers but also through the leaders and descendants of the territories that Rome once held. It has then been spread even further through the colonization of various parts of the world!

One only needs to look at the evils of the Western world and how those evils are spread around the world, infecting other countries and cultures to see that the evil Iron Wolf Spirit of Rome influences and corrupts all that it touches!

Modern Day Mantras

"Let us hear the conclusion of the whole matter, FEAR GOD AND KEEP HIS COMMANDMENTS; FOR THIS IS THE WHOLE DUTY OF MAN." Ecclesiastes 12:13

If we truly fear God we would be much more circumspect about how we conduct ourselves.

"The fear of the Lord is the beginning of knowledge; but fools despise wisdom and instruction." proverbs 1:7

Let us not be fools. Let us truly seek knowledge and instruction and wisdom from God.

"If any of you lack wisdom, let him ask of God, that giveth to all men liberally and upbraideth not; and it shall be given him." James 1:5

How does he give us wisdom? One way of course is as we continue feeding upon his word. What do I mean by feeding? I mean we must hear the word, we must read the word, we must study the word, we must meditate on his word, we must memorize his word, we must be doers of the word, and then be prepared to teach his word.

As we do these things, His wisdom begins to permeate our being. Truly as Jesus said in John 8:31,32 "If you continue in my word THEN are ye my disciples indeed AND you shall know the truth and the truth shall make you free."

FREE?

Free from what?

Free from the traditions of man. Free from fear. Free from the religious deceptions coerced on them that lack the true light of God.

Free from blindly, almost unknowingly following the herd of politically correct people that figuratively, reverentially bow down to the gold calf and the golden statue when the music (is Mantra) is played.

A mantra is a chant that is music like in melody and repetition. It is generally designed to bring about a certain hypnotic (some would say spiritual, but what spirits?) state in those that use it, repeat it, and hear it.

With such a similar mantra going on around us, it is designed to make us conform or bow down to "political correctness." See if you recognize some of the music (mantras).

**"A woman's right to choose is fundamental to her liberty."
(Translation - murdering unborn babies is ok.)**

**"We must not be biased against those practicing an alternative life style."
(Translation - Homosexuality is acceptable)**

**"One shouldn't sleep with a person on the first date."
(Translation - It is alright to fornicate after the first date)**

These are just a few. There are others that are so deeply ingrained in our society that the vast, vast majority don't even recognize them. They have been brainwashed by an unscriptural mantra.

If we continue in His word, we will know the truth and the truth will make us free. Unfortunately, many "believers" never really study the word and are therefore caught up in these mantras. Essentially, they fall down and worship the image that America and The Romanized West displays when the music (mantra) is played.

How many believers think that a woman has the right to choose?

How many believers believe it is wrong to speak out against an alternative life style?

Yes, there are many.

And there are even more that follow the more deeply ingrained mantras. We'll talk more about those later.

Abortion

Abortion which was known and practiced, although crudely, in Rome is now condoned by the law in the United States and much of the Western World. In the infamous Roe VS Wade decision in 1973, the Supreme court of the United States declared that women had a right to choose to do with their bodies whatever they wished. This included the right to destroy unborn children!

Since then over 45,000,000 (That is forty five million) unborn children have been murdered by the doctors in the United States. These legalized slaughters have made Hitler's crimes pale in comparison. Yet, they have become so common place and accepted that there is no longer any huge outcry!

This is occurring in a country that claims to be a Christian nation. No! it is

no longer Christian and it is certainly not being governed by Christians or it would not tolerate such a Humongous Holocaust!

Europeans developed a drug called “RU486”. Eighty six was euphemism for killing a person, because graves were dug at dimensions of eight feet long and six feet deep.

“RU 486” then stands for “Are you for Killing?”!!! Are you for killing the unborn babies? If so, take this drug and it will do it for you! Every woman that purchases and uses the drug is saying, “YES! YES! YES!, I am for killing my unborn baby!”

The drug has now been introduced into the United States and although the it may go by a different name, the result is the same. Dead babies!

It allows a woman to fornicate all that she wants to and IF she gets pregnant, she can merely take a pill and destroy the developing baby inside her!

This is the evil that the Iron wolf Spirit is bringing about!

Partial Birth Abortion

Until recently, (at the time of this writing) , partial birth abortion was the law of the land for the USA. This particularly vile and nasty procedure involved inducing labor in a woman that was almost none months pregnant. The doctor would then reach inside the womb and turn the baby around to deliver it feet first. When all but the head was delivered and had cleared the birth canal, he would He would reach in with a pair of scissors and puncture the skull of the baby. He followed this by sticking in a syringe in the hole made by the scissors and then suctioning the baby’s brains out!!!

The baby having been murdered while his head was still in the birth canal was then delivered dead!

Several times the United States Congress tried to pass a law banning that procedure but the Democratic president at the time continued to veto the bill so it did not pass during his administration.

Finally, a Republican president was elected to office and signed a bill banning this hideous form of execution, but believe it or not, a satanically inspired liberal judge declared the law to be unconstitutional!

This shows the degree of wickedness in the Romanized Western culture.

Is there any wonder why there are cultures in the world that want no part of its influence???

Homosexuality

In both the Roman Catholic Church and in the Romanized Western countries we see pedophiles (Men having sex with young children) and homosexuals (men having sex with other men or women with women) abounding.

Recent scandals regarding the Roman Catholic Church brought out the fact that many priests had molested young boys who had been wards in their care. These priests, even when found out were not punished but rather transferred to other locations where the practice continued again.

Homosexuality is considered an abomination in both the old and new testament scriptures.

“Thou shalt not lie with mankind as with womankind: It is an abomination.” Leviticus 18:22

“Wherefore God also gave them up to uncleanness through the lusts of their own hearts, to dishonor their own bodies between themselves:

Who changed the truth of God into a lie, and worshipped and served the creature more than the Creator, who is blessed forever, amen.

For this cause God gave them over unto vile affections: for even their women did change the natural use into that which is against nature.

And likewise also the men leaving the natural use of the woman burned in their lust one toward another; men with men working that which is unseemly. And receiving in themselves that recompence of their error which was meet.

And even as they did not like to retain God in their knowledge, God gave them over to a reprobate mind, to do those things which are not convenient:”

Romans 1:24-28

Even so, a former president of the United States, who had the nerve to declare himself a Christian, invoked a “Don’t ask, Don’t tell” policy in the military so that homosexuals could become soldiers!

Homosexuals are trying to (And in many cases have succeeded) to get all government schools (Public schools) to teach that an alternative lifestyle is perfectly acceptable. This is a subtle way of teaching that there is nothing wrong with a man having sex with a man or a woman having sex with a woman.

One State in the Northeastern part of the USA has now officially recognized homosexual marriages!!!

Sodom and Gomorra were destroyed for this type of abominable behavior!!!

Yet just as homosexuality was practiced in the ancient Roman Empire, once again, it is being pushed today in the Romanized Western Countries.

The media pushes this as well and teaches within Television programming that Sodomy is acceptable. There is even a TV program in America where four homosexuals try to teach a heterosexual man how to dress to please women! The program is called “Queer eyes for the straight guy”.

In addition, homosexual characters are shown as sympathetic characters in a number of TV programs. In these shows they are depicted as being abused by prejudiced bigoted people who can't understand that it's alright to be a sodomite. Of course they would never use the term sodomite. They prefer the term “gay”! This tactic is designed to make people think that homosexuality is alright and that any one that dares to think differently is really ignorant and stupid!

I once asked a Nigerian man who had immigrated to the USA, what the main difference he saw in the two countries. He said that here in the USA the homosexuals were out in the open. He said that if a man in Nigeria admitted to being a homosexual that he would first be stoned and then he would be burned!

It would seem that the so called third world countries of Africa, who are considered backward by Romanized Western standards, are much closer to operating in the word of God than the people in the Romanized West!

The Iron Wolf Spirit of Rome which proceeds from Satan himself seeks to make right seem wrong and wrong seem right!

Millions are caught in its grip and are blinded to the truth!

FORNICATION

Fornication, (sex outside of marriage) is certainly not unique to the Romanized Western World, but it is promoted and glorified in the Western world through various outlets. The media, including movies, and Television and books and magazines certainly glorify sexual relations outside of marriage. The infamous James Bond character of the novels and movies is depicted as a hero who fornicates frequently with various beautiful women with no marriage commitment of any sort!

Magazine publishers admit that in the Western World, magazines sales are usually in direct proportion to how much of a woman's breasts are showing on its front cover.

Television programs show various characters involved in fornication. Many of the characters even say things like, “we have not done any thing wrong or sinful.”!

Schools have been mandated to teach so called “safe sex” to junior high school students. They are taught how to use condoms in class by stretching them over bananas! It is assumed that they will fornicate, so the only thing that needs to be done is to teach them how to avoid pregnancy and disease by condom use.

As AID’s has become an epidemic in African countries, the same doctrine is now being pushed there as well!

OTHER ROMAN INFLUENCES

The Greeks and Romans worshipped goddesses. This exaltation of females was manifested in the Roman Catholic Church as Mary was exalted to be called the queen of heaven. She is also falsely called “The mother of God“.

In much of the Western world, women are now exalted to a point that they are above men. They have more rights than men and receive better treatment by the court systems. Consequently, men are subjugated to the lower realm in many ways and especially in marriage. This contradicts the word of God which says that the man is the head of the woman. (See 1st Corinthians 11:1-10)

Again, the Iron Wolf Spirits of Rome are behind this aberration!

THE “MONOGAMY ONLY” DOCTRINE

The majority of Westerners do not know that the “Monogamy Only” doctrine is not God’s doctrine but man’s. God is not against a man being married to just one woman. However, He never required that as the only acceptable form of marriage relationships. Many of the venerated patriarchs of the Bible were polygamous.

There is not one scripture in the entire Bible where any of these men were condemned for marrying more than one woman.

Amongst those that had more than one wife are:’

Abraham

Jacob

Esau

Caleb

Moses

Gideon

David

And there are many. Many more.

Since the “monogamy Only” doctrine was a custom of Rome and then pushed by the Roman Catholic Church and then adopted as law among the many of the countries that were formerly apart of Rome, it is pushed as The correct from of marriage today.

The media , the educational system, the government, and the religious institutions all promote “monogamy Only” as the right way.

Nevertheless, the scripture says “Study to shew thyself approved unto God, a workman that need not to be ashamed, rightly dividing the word of truth.” 2nd Timothy 2:15

In the societies that limit people to the “monogamy Only” philosophy of marriage, there is more prostitution, There is more divorce and there is more homosexuality than cultures that allow for polygamy.

Christian ministers who have been indoctrinated by the Bible colleges or their denominational training will usually point to 1st timothy 3;2 and 1st timothy 3;12 and 1st Titus 1:6 as the new testament prohibition on man having more than one wife...

“If a man desireth the office of a bishop he desireth a good work, Let him be above reproach, the husband of one wife...”

Some of the modern translations are even adding the words “ONLY” in front of one or the word “BUT” in front of one. Those words are certainly NOT in the original documents.

Students of the Bible who have also studied Biblical Greek say that the word “one” there would be better translated as the article “A”. This would give the real meaning to be that he should be a married man and not that he was limited to having only one wife. This is borne out by the context which says “For if a man know not how to rule his own household, how shall he take care of the church of God.

If one had no wife and no children then he would have no household giving him the experience of governing which would help qualify him for the office of an overseer.

Many of those that ruled in Israel had more than one wife!

Why is this important? Because in a monogamy only society many of the women never have the opportunity to get married because there are not enough men for each woman to have her very own by herself.

There is much more that could be said on this subject but there are other books that go into detail, Should the reader like more proof he is advised to read one or more of these other books.

These would include;

THE ROMANIZATION OF THE CHURCH

So the church started off Jewish and followed Jewish customs. The Gentiles who were under domination of the Roman empire which was the world power at that time, began to come into the church. Over time, more and more Roman traditions were added to the practices of believers.

The Roman custom was "monogamy". The typical Roman only had one wife, although some had secret mistresses on the side. Others kept boys with which they committed homosexual acts.

When Constantine claimed to see a vision of the cross and went forth conquering with that sign, he legalized Christianity. The now legalized Christian Church gradually adopted more and more Roman customs and traditions.

By the fifth Century Pope Innocence began to push for the priests to be monogamous and then eventually to be celibate. Apparently the Roman Church wanted all the priests possessions to be inherited by the church rather than any children that a priest might have., This made the Roman Church grow richer! Eventually the one man one wife rule was extended to the common man.

At the council of Trent held between 1532 and 1565 there were a number of

edicts that went forth. One of those, was that if any man said that a man could have more than one wife he was to be accursed!

As protestants broke away from the ROMAN Catholic Church, they took with them many of the dogmas and traditions and customs of the Roman Church. Among those was the "one man one wife" rule.

In 1611 when the first King James Bible was printed, the men who had translated it to English had grown up in a religious environment that believed that it was sinful for a man to have more than one wife. Consequently when they translated the Timothy and Titus passages, they translated the Greek word "mia" as one rather than "first" or "a". Thus leaving the impression that Paul was saying that a man could only have one wife, rather than what he really meant, which was that it was best for an elder to be a married man.

Thus, generations following, not knowing what the Greek really said, dutifully followed the one wife rule. Assuming that the elders were to be examples to others, they demanded that if leaders could only have one wife then that was true for everyone else!

Although Martin Luther began a restoration of truth to the church, he did not complete it! God is now calling forth prophetic men and women to continue to deliver the true church from the falsehoods sown into it by the spirit of ROME!

Jesus said, "If you continue in my word, ye shall know the truth and the truth will make you free."!!!

THE ROMANtic IDOL

The Greeks and the Romans worshipped goddesses and other false gods. Aphrodite in Greece and Venus in Rome is considered the goddess of love.(Lust would probably be more accurate)

In the first century a man named Ovid is said to be the one responsible for writing stories where the man worshipped the woman he loved. Apparently the people living at that time knew that his writing was facetious and not serious. Later writers took his writing seriously and as the way love should be approached. Later stories like "Romeo and Juliet" and other such "Love" stories began to appear. Today, the way Western Romanized culture sees it, this is the ideal.

The son of the love goddess was called eros by the Greeks and cupid by the Romans. Some believe that these are actually unclean spirits of lust that cause a man to be blinded in a sense and to yield to the woman in worship of her

This can be seen in the idealistic modern version of ROMANce In that ideal, the man bows down on one knee as the woman either sits or stands before him. He then asks for her hand in marriage as he gives her a diamond ring which signifies his love for her and EXCLUSIVELY for her for the rest of their lives.

If he does not actually say these words then he will be required to say them at the wedding ceremony! "Keeping only to thee, so long as we both shall live"

The legal contract signed by them and the minister or judge in the USA backs up the fact that he must be "faithful" ONLY to her!!!

WHY???

Is it because "no man can serve two masters", and she is being appointed master over him?

Scripturally, the man should be the head of the relationship. He should be the master. A servant can not serve two masters but a Master can have two or more servants!

A husband can have more than one helpmeet (wife).

A woman, on the other hand, can only have one master (Husband).

In the ROMANce idolatry, things have changed from the Biblical requirements to worldly ones that have been influenced by Satan!

In ROMANtic love both the men and the women are taught that a man can only have one woman. If a man says to a woman, "I love you", and I also love Sally and Karen and Susan", the woman from Western Romantic Tradition and culture will be confused!

"How can you say you love them, if you say that you love me?" she might ask. It does not make sense to her, because she has been trained to think that his love for her must be exclusive!

However, a man is to have Agape love for his wife (or wives). Agape love is far above eros love. Agape is God's type of love. Just as God loves all of us, so a man can love all of his wives.

Agape love is not exclusive.

Eros love though being the lowest and most base of the three types of love has been elevated in the Western world and placed on a pedestal so to speak, to be worshipped!

Many people only stay married as long as they stay "in love"! (meaning eros love). When the eros love leaves then they leave.

"God would not want me to be unhappy!" they reason.

Divorce follows!

This is not the will of GOD!

In fact, it is the worship of what has become an idol! "ROMANtic Love"!

IF YOU'LL BOW DOWN

Satan offered Jesus all the kingdoms of the world IF he would bow down and worship him.

“Again the devil taketh him up into high mountain, and sheweth him all the kingdoms of the world, and the glory of them;

And saith unto him, All these things will I give thee, if thou wilt fall down and worship me.”

Jesus wanted all the kingdoms and eventually he gets them. We know this because it is recorded in Revelations 11:15 "The kingdoms of this world are become the Kingdom of our God and His Christ."

Satan was offering a short cut! A supposedly easier way than through the cross. All he had to do was to bow down and worship Satan.

Jesus responded, "It is written; Thou shalt worship the Lord Thy God and Him only shalt thou serve."

In Roman or Romantic love, the man is tempted to bow down before the woman and worship her.

By vowing to love her EXCLUSIVELY, he is indirectly saying that she is

the master. Jesus Christ said " No man can serve two masters: for either he will hate the one and love the other; or he will hold to the one and despise the other...." Matthew 6:24

Yet over and over again, the scripture says the man must be the head and the ruler over his wife.

Satan seeks to invert things. just as he desired to exalt himself above the station that God had for him, he and his unclean demonic spirits desire that the woman exalt herself over the man, destroying God's established order.

Let's consider some of the things with which romantic love is associated.

A dark room with only dim candlelight is considered Romantic.

Why?

Is it because Satan is the god of darkness?

Drinking wine and other alcoholic beverages is considered romantic.

Why?

Is it because seduction is easier if the parties are drunk?

Does Satan seek to seduce us into yielding to sin as a sinful man often seeks to seduce a woman into fornication?

The man that exalts his one woman above all else is considered romantic.

Yet, that is NOT God's will.

Sisters don't expect a man to bow down before you. You be a Godly woman and reverence him instead!

(See Ephesians 5:33)

HIDING SPIRITS

So most first wives in the Western World as well as those in Africa and other places that have been indoctrinated into the "Monogamy Only" mindset have spirits of Idolatry and jealousy with them.

This can often be seen in as much as one can talk about abortion, or homosexuality or even pornography or incest with others around barely responding at all.

However, mention that polygamy should be allowed so that single Christian women and widows can also be loved and you will see a firestorm of emotion erupt! Heated anger and snarling lips and vehement repulsion will be seen spewing forth from the mouths of the hearers. This is especially true of first wives!

How can there be such ambivalence and apathy towards things that God calls an abomination, (murder sodomy, incest etc.) and on the other hand there is wild delirious venom poured forth about polygamy??? This is true even though polygamy is something in which many of God's most celebrated prophets participated!

The answer is, there are hidden unclean spirits present.

As long as these are appeased, in that they are ruling through women in the marriage, there is no reason to reveal their presence. They are already being idolized through the woman they inhabit.

However, when there is a threat to their rule and dominance, they raise

their ugly heads to verbally beat down whoever has been so bold as to challenge their position.

Now some think that, that is good enough reason to avoid polygamy. They would say that it stirs up jealousy and witchcraft and sometimes murder.

However, we must point out, it is not polygamy that brings these spirits. It is only that polygamy is a possibility, that makes these spirits reveal themselves!

God does not want us to retain these unclean, evil spirits in our lives. Nor does he want us to keep the carnal natures, behind which they hide, with us.

God is allowing situations to show us the depth of our depravity. Envy, strife and divisions are works of the flesh. The evil spirits that hide behind this carnal nature are not to be allowed to remain with us either!

God desires that we exhibit love, joy, peace, longsuffering, gentleness goodness meekness temperance and faith. (see Galatians 5:21,22)

When we exhibit these fruit to the degree that He desires, then a man having more than one wife will not be a problem!

THE SPIRITS OF ROME

When one submits to a spirit, he gives that spirit authority in his or her life.

As we grow up in a culture that has submitted to certain spirits for a long, long time, we can easily submit to them and give them authority without ever realizing that we are doing so.

The Bible indicates that Roman spirits will be ruling at the end of this age, prior to the return of Christ!

One of the ways that these spirits gain entrance and rule on an individual basis is as we participate in ROMANtic activities.

A brother who was visiting the ROMAN Catholic Church was given an open vision. As one of the parishioners knelt down before one of the statues of one of the saints, he saw a huge demonic spirit stand behind the statue and towering above it accepting the homage and reverence that the person was giving!

Unclean spirits like Satan himself desire to be worshipped!

Girls in Western Society are trained to think that they should be worshipped. They are to be put on a pedestal and her potential husband is to bow down before her and ask for her hand in marriage. Unclean spirits push this agenda and sit on the shoulders, as it were, of the one receiving the kneeling reverence of the man.

The man in the mean time has been shot by cupid. More accurately, he has been possessed by a spirit of lust, that will drive him to reverence his

"mother" the Venus spirit as it dwells in his intended bride. (In Roman mythology Venus, the goddess of love, was the mother of Cupid)

This is the reason that we often see husbands who treat their wives like their mothers, and submit to them as if they were little boys.

It also explains why women in the Romanized Western world rise within the marriage so often and begin to dominate their husbands and treat them as children!

It is said that "love is blind.". More accurately, we should say that the spirit of "eros" blinds one.

This means that as one submits to the god of this world (Satan) or any of his unclean spirit followers, he is blinded.

In 2nd Corinthians 4;3,4, it says, "But if our gospel be hid, it is hid to them that are lost. In whom the god of this world hath BLINDED the minds of them that believe not, lest the light of the glorious gospel of Christ should shine unto them.

Although some may believe enough of the good news to be saved, many are still blinded in the areas of relationships and marriage. Why? It is because although they have submitted to Jesus Christ for salvation, they have not submitted all areas of their lives to him and in those areas they are still blinded.

We must come out of paganism in order to be fully free!

It is said that, "One falls in love". People even look forward to falling in love. Many believe that the only reason to be married is if one has "fallen in love."

More accurately, we would say, "One descends into eros deception."

One rises into heaven but one descend into hell!

If we are falling we are going down. If we are going down then we are descending. The love spoken of in "falling in love" is not Agape love (God's type) it is not even Phileo Love (brotherly or family love)

It is the "eros" type. that is induced by the unclean spirit named eros who is otherwise known as cupid!

**One should always avoid falling or descending. One should instead rise to phileo (family love) or even Agape (Godly Love).
Let's avoid the spirits of Rome!!!**

COMBINED SPIRIT POWER

In conclusion, let us point out that the Iron Wolf Spirit of Rome is actually a combination of evil spirits all working to turn man away from God.

The spirits of Babylon encourage idolatry and false religion, The spirits of media Persia encourage the love of money and compromise. The spirits of The Greeks encourage goddess worship and intellectualism and philosophies. The spirits of Rome encourage the belief that one of man's forms of government is superior to all others and that it has the right one. It, also, as all the others, seeks to have world domination.

When a conqueror conquers a new land the people that are left alive become its slaves. Like wise when One prince level spirit conquers another, the first becomes a slave. As Rome conquered the Greeks all of its servant fallen angels became the servants to The Roman wolf spirit. So Now within the Iron wolf spirit of Rome is contained all the previous evils.

Thus today we have people that worship idols. Some worship statutes. Others worship other things in their lives that have become idols. This is motivated by the spirit of Babylon that is now a part of the Iron Wolf Spirit.

We have people that worship money and will compromise any virtue to obtain it. They compromise with the world and its systems and values. This motivated by the spirits of Media/ Persia which now are also dominated by the spirit of Rome.

We have many that are caught up in intellectualism and various man made philosophies. Woman is being worshipped as evidenced through the feminist movement and its success and the making of the western Romanized world into a

matriarchal system. These are motivated by the spirits of Greece.

Finally we see that the spirits that motivate goddess worship also have placed in a belief in the “Monogamy Only” doctrine which again gives the woman more power in marriage and hurts many women who desire to be married. Then we also see that there is this Roman Spirit that acts a wolf in sheep’s clothing. It presents itself as good and it desires to conquer the world with its doctrines, and yet it is evil to the core! . Like a disease that has become epidemic, it is spreading around the world.

The only inoculation against the disease that is spread by the Iron Wolf Spirit of Rome is a thorough knowledge and continuous feeding on God’s word! If we continue to stand on God’s word ,we won’t be taken in by the Iron Wolf Spirit of Rome!
